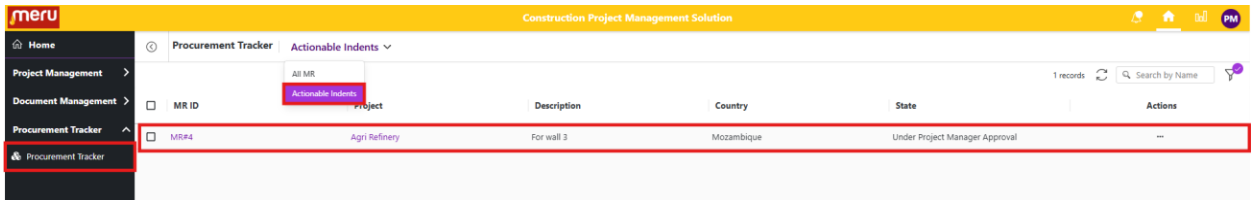
3.2.2 Review & Approve MR

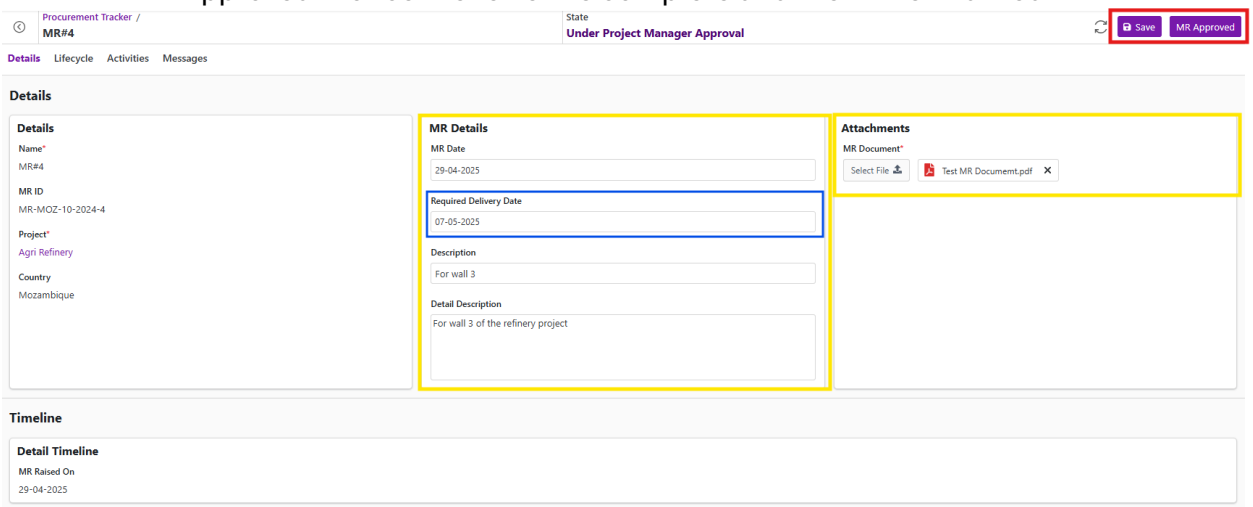
User Role: Project Manager

1. Project Manager can access MRs in two ways:
   - From Home Screen: Go to the 'Actionable Procurement Tracker' dashboard.

   - From Procurement Tracker Tab: Select the 'Actionable Indents' dashboard.



2. Access the new MR raised by the site engineer.
3. Edit details and update the MR document as needed.
4. Mark:
   - 'Save' – if updates are pending.
   - 'MR Approved' – once the review is complete and the MR is finalized.



Note: *Only approved MRs move to the Purchase Department for further processing.*

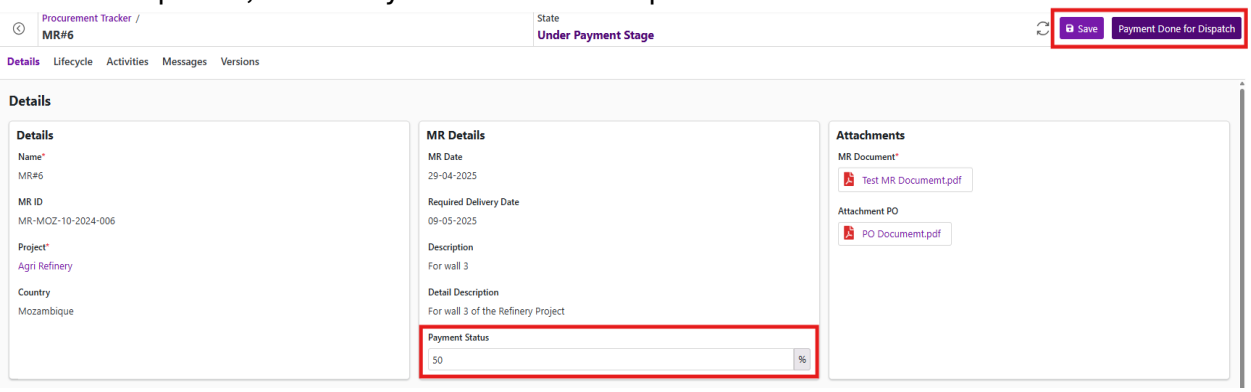
3.2.3.2 Payment Stage – Track and Update Payments

1. Add Payment Percentage: Enter the % of payment done toward dispatch.
2. Mark Payment Done for Dispatch: Once the minimum dispatch payment is completed, mark "Payment Done for Dispatch".

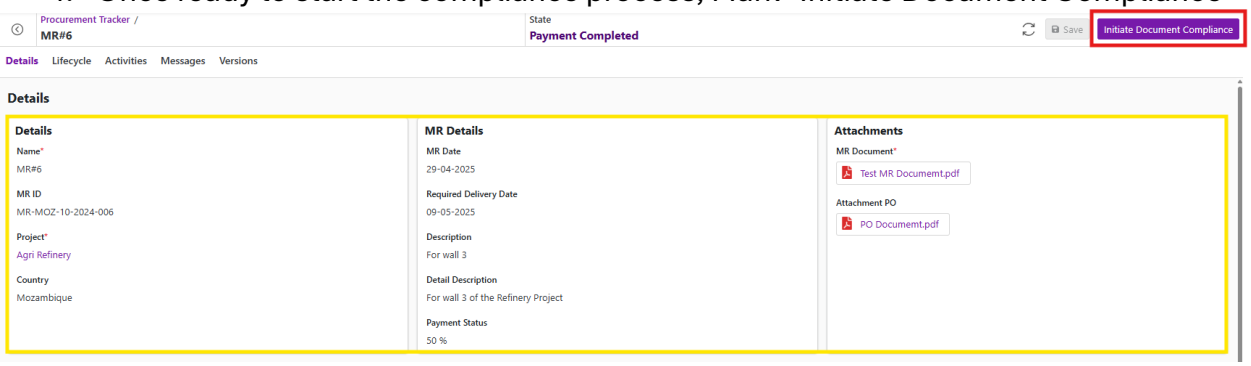


3. Once payment is completed, review all records and mark "Payment Completed"

Note:

At this stage, If MR is being dispatched partially, then the Purchase manager can make a note in the remarks section provided & proceed to create another MR using the 'add Sub MR' tab in the 'Sub MR' widget. This New MR can be tracked separately & will be linked to the old MR.

4. Once ready to start the compliance process, Mark "Initiate Document Compliance"



3.2.3.3 Document Compliance

Once the Document compliance is complete, upload the Document Compliance File and mark 'Initiate Shipment Update'.
